

**Town of Berne Conservation Board**  
**March 9, 2020**

Meeting called to order 4 PM.

Present: Michaela Fisher, Sue Hawkes-Teeter, Kathy Moore (Nancy Engel absent).

Guest: Mat Harris

**Old Business:**

Composting. Sue has contacted the person in Bethlehem .

Michaela has been in touch with Cornell Coop Extension person. We discussed possibly doing a segment or workshop at Earth Day celebration at SWF ? 1<sup>st</sup> Saturday in May. Depends on Town Board approval of the use of the SWF.

Or could do it at fall festival in Berne.

Discussion about utility scale solar law restrictions.

Streetlighting: Mat has been in touch with Nat'l Grid. Is working on getting someone at Wendel to make a map of light locations. We will need the map for presentation to the Town. Price to buy them back has changed, or might have changed. Decisions need to be made about City Touch versus photocells. Need more clarity at the Design Review meeting on March 19<sup>th</sup>.

**New Business:**

Sue H. will get the energy data from Anita, and Kathy and Sue will compile. To add to what we have done previously.

Meeting Adjourned 5 PM.
