

Town of Berne Conservation Board Agenda 2/10/2020

Meeting called to order.7:35 PM

Present: Nancy Engel, Susan Hawkes-Teeter, Kathleen Moore

- I. Old Business
 - A. Clean Energy Community update
 1. Streetlights: KM conveyed an update from Todd S. concerning the streetlight project.
 2. Need to update benchmarking data.
 3. Need to upload the data to the website (where is this?)
 - B. Solid waste disposal/recycling options
Michaela has sent information about composting, from Cornell Cooperative Extension. Email included a suggestion that we could get in touch with someone in Bethlehem : Dan Rain. Sue will try to contact this person.
 - C. solar development in Town; email from Jennifer Crawford, Crawford Engineering (answers to questions about environmental mitigation for the Flint Mine Solar Project in Coeymans & Ravena).
 - D. No one attended the Conservation Roundtable in January.
- II. New Business
 - A. Sue and Kathy will up-date the benchmarking data, once we get input from Anita. (Sue).
 - B. We need to figure out how to upload the data to EPA (??) website .
 - C. Sue will contact Todd for the current status. Our understanding is that the first design documents have been made available to the Town.
- III. Site Reviews : No site reviews have been requested.
- IV. Other – no other business came before the Board.

Meeting adjourned 8:50 PM

Next meeting: 2/10/2020
